

How To Mobile Deposit a Check

1. Begin by endorsing your check, please include **“Mobile Deposit Only”** in the endorsement space along with your signature. If available, place a checkmark in the box indicating mobile deposit.

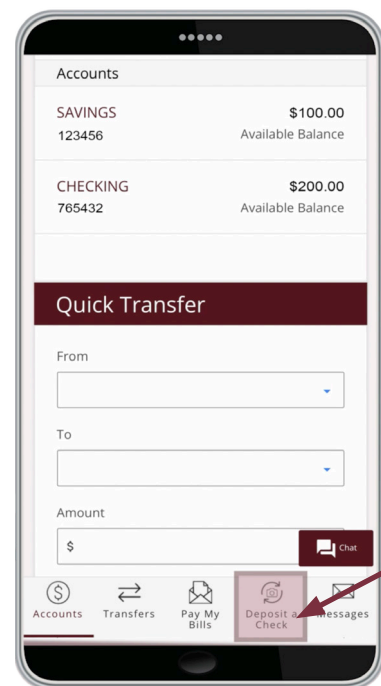

2. Log In to your Cornerstone Bank mobile app

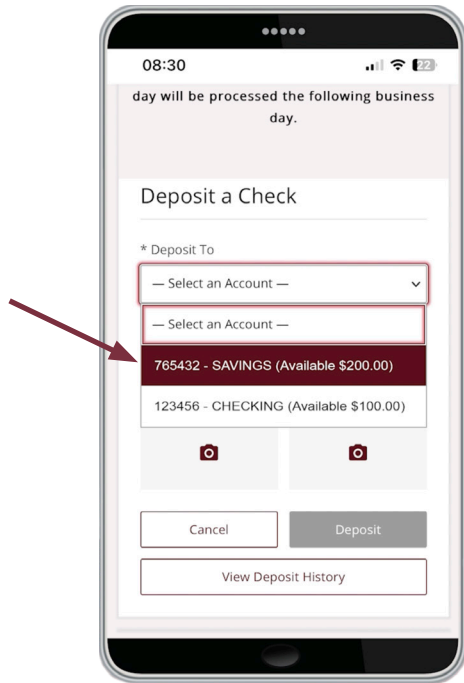

3. Select **Deposit a Check** in the bottom menu

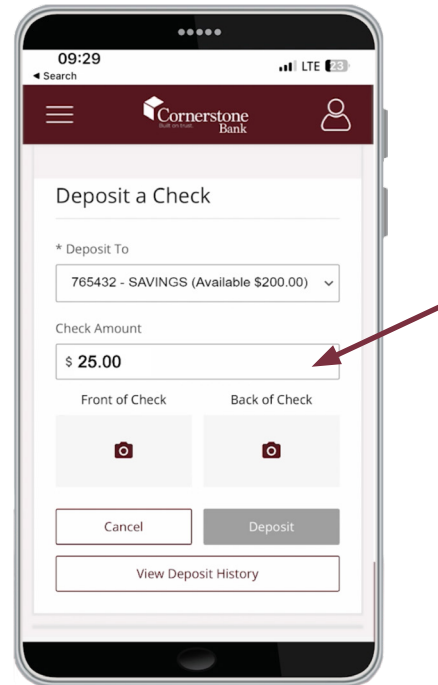

You must be a Cornerstone Bank customer for a minimum of 45 days before you can access this feature.

4. Select which account you would like to deposit the check into

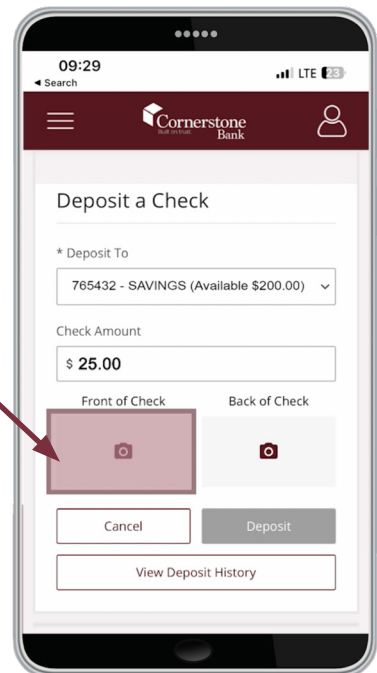

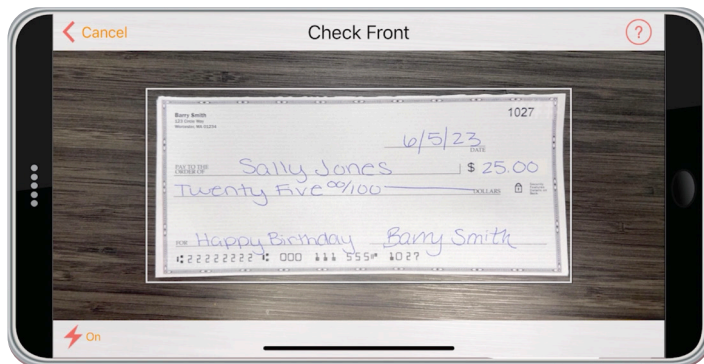

5. Enter the check amount

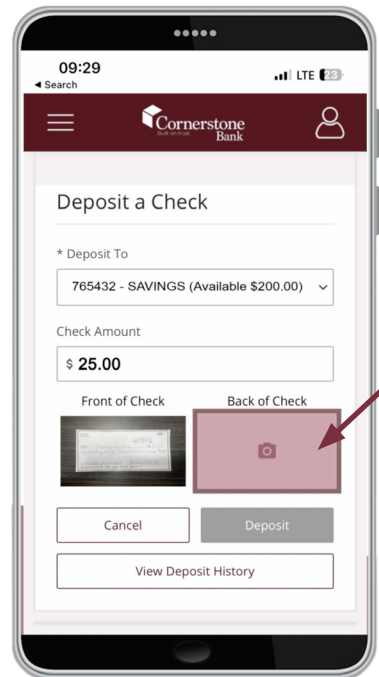

6. Click the camera icon for Front of Check

To capture the check, center the front of the check on a dark surface, provide ample light, and align the check in the frame. Most mobile devices will auto capture the image. Your check should already be endorsed.

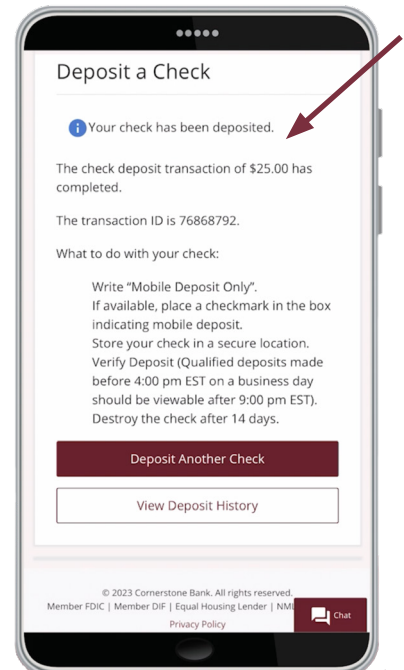

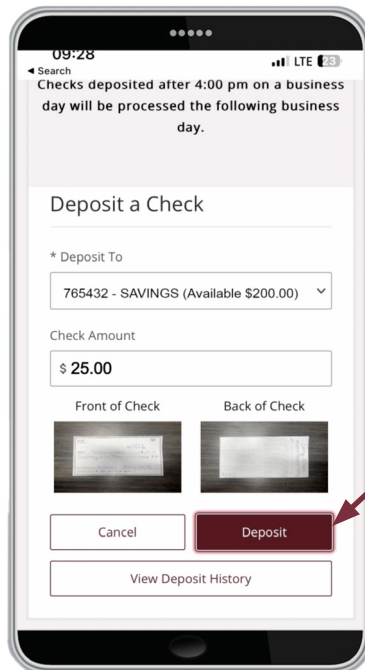

7. Click the camera icon for Back of Check

Center the back of the check on a dark surface, provide ample light, and align the check in the frame. Please make sure you write "Mobile Deposit Only" in the endorsement space. Most mobile devices will auto capture the image.

8. After capturing both sides of the check, it will take you back to the Deposit a Check screen—from there click Deposit

Checks deposited after 4:00 pm EST will be processed the following business day.
